

Another world is possible

Get inspired and get active!

10.30am - 5pm, Saturday 19 September

St Augustine Church, George IV bridge, Edinburgh

Special Guest:

Mike Bonnano

Star of 'The Yes Men Fix the World'

For 30 years, free market dogma has dominated official politics the world over. Now that dogma has brought us a financial crisis, a climate crisis, and for thousands of the world's poorest people a crisis of soaring food prices too.

Yet all over the world, people are responding to these crises by challenging vested interests and proposing alternatives. Alternatives that seek to build a just, sustainable and peaceful world, and that put people before profit.

Join the **World Development Movement** and some of the best thinkers and campaigners around for a thought-provoking day of talks, discussion and practical workshops where you can find out how the banks, corporations and politicians got us into this mess and what we can do to fix it. **Special guest appearance by film-maker, culture jammer and star of 'The Yes Men fix the world' Mike Bonanno.** The event is **Free** - but please register beforehand.

Speakers include:

Benito Bonilla (Acción Ecológica, Ecuador)

David Miller (Spinwatch)

Paul Chatterton (Author, Do It Yourself: A handbook for changing the world)

Sessions include:

Global justice in an age of crisis

Economic alternatives from the global South
